## A Theory Of Justice Revised

Since it appeared in 1971, John Rawls 's A Theory of Justice has become a classic. The author has now revised the original edition to clear up a number of difficulties he and others have found in the original book. Rawls aims to express an essential part of the common core of the democratic tradition—justice as fairness—and to provide an alternative to utilitarianism, which had dominated the Anglo-Saxon tradition of political thought since the nineteenth century.

"A Theory of Justice" is John Rawl's interpretation of the social contract theory. In determining "justice" Rawls uses the social contract theory, utilitarianism, theological explanations, and other interpretations. By using a "veil of ignorance" and a rational person standard he devises two principles of justice.

ethics by the philosopher John Rawls, in which the author attempts to provide a moral theory alternative to utilitarianism and that addresses the problem of distributive justice (the socially just distribution of goods in a society). The theory uses an updated form of Kantian philosophy and a variant form of conventional social contract theory.
