Love, Love, Love this book! This is the first book I've read by Tracey Ward and it won't be the last. The relationship between Kellan and Jenna is sweet, beautiful, heartbreaking and makes you believe in true love even if it's painful at times. The characters were extremely well written. I love their relationships.

this is the first Tracey ward book I've read and it won't be the last. I've read a lot of books and I really enjoyed this one. The writing style made it easy to read, the character development was good, I loved and hated the main characters at the same time. Everyone has demons they carry around with them that changes who they could be.
