Crossed Vol 1 Garth Ennis

There are only the Crossed. Garth Ennis has pulled out all the stops to write the most depraved and twisted book of his career, one that also may be his most poignant human drama! Crossed is Ennis' horrifically visceral exploration of the pure evil that humans are truly capable of indulging and collected here are all ten heart-stopping chapters. This gut-wrenching vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows.

Crossed is the most twisted comic I have ever read and I love gorey arthouse horror. The first volume is especially good because it is the only volume in the entire Crossed series (which now has well over 20 volumes including multiple variants) that is entirely written and inked by Garth Ennis and Jacen Burrows.

Crossed Volume 1 covers issues 0-9, which is the complete, original series. If you haven't gotten the hint dear readers, Crossed is an adult graphic novel, with disturbing content. If it were faithfully adapted to film-a toned down film is in the works-it would be rated NC 17 at best.
