### Digital Disconnect How Capitalism Is

"Over the past twenty years, the world has experienced both a profound communications revolution delivered by the internet and an equally profound rise in economic inequality and instability delivered by neoliberal capitalism. Digital Disconnect explores the connections between these epoch-defining trends with clarity, depth, originality, and verve. Robert W. McChesney advances a strong case that achieving the potential of the internet as a force for good requires nothing less than ...

### Digital Disconnect: How Capitalism is Turning the Internet ...

Review by Greg Macdougall Digital Disconnect: How Capitalism is Turning the Internet Against Democracy discusses how politics and the "capitalist\*" economic system of the United States has very much warped the initial vision and potential of a non-commercial democratic Internet. In it noted scholar and activist Robert W. McChesney does a good job of illustrating the "banana republic" -- that is the corporately-controlled -- status of the U.S. state.

### Digital Disconnect: How Capitalism is Turning the Internet ...

In Digital Disconnect McChesney returns to this provocative thesis in light of the advances of the digital age, incorporating capitalism into the heart of his analysis. He argues that the sharp decline in the enforcement of antitrust violations, the increase in patents on digital technology and proprietary systems, and other policies and massive indirect subsidies have made the Internet a place of numbing commercialism.

### Amazon.com: Digital Disconnect: How Capitalism is Turning ...

Digital Disconnect, based on the acclaimed book by media scholar Robert McChesney, trains its sights on the relationship between the internet and democracy in the age of fake news, filter bubbles, and Facebook security breaches. In a wide-ranging analysis that moves from the development of the internet as a publicly funded project in the late 1960s to its full-scale commercialization today, McChesney traces how the democratizing potential of the web is being radically compromised by the ...

### **Digital Disconnect: How Capitalism is Turning the Internet ...**

Emphasizing this context and demonstrating how it has shaped and how it continues to shape the Internet is the subject of Robert W. McChesney's new book *Digital Disconnect: How Capitalism is Turning the Internet Against Democracy*. As the subtitle of the book should make quite clear it is McChesney's thesis that the capitalist world in which the Internet has developed portends a pale future for the Internet and by extension for democratic prospects.

### **Capitalism vs. the Internet - A review of Digital ...**

His recent publication, *Digital Disconnect: How Capitalism is Turning the Internet Against Democracy*, builds upon this rich tradition of scholar-activism, updating it for the digital age. The masterfully researched and engaging text is a stinging indictment of actually existing capitalism's
