Each Synergy SE user is setup to look at records for a specific school and year by default. The combination of school and year is called the Focus. The focus sets whether inactive students or active students are displayed, also. The user's current focus is listed at the top right-hand corner of the Screen.

## **Welcome to Synergy! - Edupoint**

Edupoint's founder, Bob Weathers, has dedicated his life to K-12 student information management.

Beginning as an IT Director for a large California school district, Bob created his first administrative software product for schools in the 1970s,

# Where To Download

and went on to develop several commercially successful K-12 software systems over the decades.
