Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Georgia Odyssey James Cobb Study

Cobb writes in a style that is lively and personal. Georgia Odyssey is one of those rare works that effectively bridge the unnecessarily wide and often artificial gap between professional scholars and an informed public. (Georgia Historical Quarterly) Cobb's book proves that state histories do not have to be the stuff of graduate student nightmares.
