Go Math The Go Math program aligns every lesson to the Common Core Standards.

Students write in the book to record their strategies, explanations, solutions, practice, and test prep answers. The interactive Write-in Edition includes everything needed to address the rigors of new standards and assessments.

GO Math will be used as a valuable resource for both teachers and students to provide a framework on which to build our math curriculum. However, we clearly recognize the expertise of our faculty and know that a national textbook series will not exactly meet the needs of our students here at Penn Cambria.
