**House of Shadows  
(House of Shadows  
#1) by Darcy Coates**

House of Shadows is a story of possession, betrayal, discovery, love and redemption. It is a ghost story without ghosts - or at least not in the way you might expect. This is possession, but not in the Exorcist, spinning

supernatural element  
of this compelling tale  
is much more subtle  
than that.

Reading House of  
Shadows is like  
watching subtle magic  
at work. I admit, this is  
not an easy book to  
read, be prepared for  
some fairly dense  
descriptions and  
unexpected points of  
view, but there's just  
something about the  
characters, about the  
writing, that makes this  
book incredibly  
charming and  
compelling.
