I was debating on whether to buy a new lawn mower versus having my existing old Sears mower repaired. So I called Aoki Lawn Mower Shop for their hours, as everything has turned upside down after this Covid-19'pandemic. Glad I did, as they altered their hours to close at 1:00. I visited the shop and spoke with Sam regarding my mower.

Stale, untreated gas begins to break down after about a month. Drain the gas from your lawn mower or outdoor power equipment, and then replace with fresh gas and fuel stabilizer to extend the life of your fuel. Your fuel needs to be stored in a suitable container and treated with fuel stabilizer to be sure it doesn't go stale.
