FOUR Bulls, which had entered into a very strict friendship, kept always near one another, and fed together. The Lion often saw them, and as often had a mind to make one of them his prey; but though he could easily have subdued any of them singly, yet he was afraid to attack the whole alliance, as knowing they would have been too hard for him, and therefore contented himself for the present ...

The Four Oxen and The Lion - Fables of Aesop

Most of us are likely familiar with the parallel which has often been noted between the four Gospel Accounts and the four living creatures in the opening vision of the prophet Ezekiel (Ezekiel 1:10). The lion symbolizes supreme strength, kingship; the man, highest intelligence; the ox, lowly service; the eagle, heavenliness, mystery, divinity.
