Phantoms Dean Koontz

Phantoms is a novel by American writer Dean Koontz, first published in 1983. The story is a version of the now-debunked urban legend involving a village mysteriously vanishing at Angikuni Lake. The novel includes many literary tips of the hat to the work of H.P. Lovecraft, including the suggestion that the novel's 'Ancient Enemy' is Lovecraft's god Nyarlathotep, also known as the 'Crawling Chaos'; and the fact that character of the air force specialist in potential contact with non-human intelli

Phantoms (film) - Wikipedia

This may have been based on a Dean Koontz novel, but Phantoms should acknowledge itself as being an unofficial remake of an old Hammer Studios film, X The Unknown, with which it shares it's main antagonist. The only real difference is that Phantoms lends a more mystical slant to the idea (though primarily just at the beginning of the movie).

Phantoms is a novel by American writer Dean Koontz, first published in 1983. The story is a version of the now-debunked urban legend involving a village mysteriously vanishing at Angikuni Lake.. It has some great scares and made me think twice about turning off my reading light, but it doesn't have the kick of Midnight or the cleverness of Watchers.
