Spectra Pro User Guide - Polaroid Passion

It's worth noting that not all Polaroid camera models had their own specific manual, and often one manual would cover several similar model types. If you are looking for a use manual for any other Polaroid products, please get in touch with our partner .

Where can I find a user manual for my Polaroid camera ...

The Polaroid Spectra System uses a type of Polaroid film that's slightly wider than the classic 600/SX-70 square frame. This film is interchangeably called Spectra, Type 1200, and Image. Polaroid discontinued Spectra/1200/Image film way back in 2008, but a company called the Impossible Project rose up and started making new film for the camera.
