Renault Couach Engine - Marine

Besides building engines for vehicles used in road transport, transport by rail or in the air, Renault was also a considerable time occupied with building marine engines. Under the name Renault Marine, many, mostly diesel-

The Renault RC small engines were nice little engines, and yes, they were involved with Nannidiesel. I used to work on these Renaults when I first started as Duffields of Norwich were the first UK importers for Nannidiesel. (the ideal man who know these engines very well is Donny Myhill, but he is possibly over 70yrs old
