Social Psychology / Edition 3 by Tom Gilovich ...

Social psychology examines not only the impact of the real people's attitudes and behavior—that is, the attitudes and behavior of our friends, classmates, parents, celebrities, and so on—but also the impact of our perceptions of these people's attitudes and behaviors. Let's take an example that occurs frequently in college classes.

Social Psychology - SILO.PUB

The Independent Scientific Advisory Group for Emergencies has published an emergency 10 point plan to avoid a national lockdown,¹ while criticising the government for abdicating its reasonability to provide such a plan. Many areas of the UK are currently in some form of local lockdown, and the government is considering further national measures as numbers of covid-19 cases continue to rise.
