Web reading is also not a stationary activity. Users roam from page to page, collecting salient bits of information from a variety of sources. They scan the contents of a page, get the information, and move on. Web reading may also be disorienting because web pages, unlike book or magazine pages, can be accessed directly without preamble.

Editorial Style | Web Style Guide 3

In designing web sites our job is to reduce functional limitations through design. When we aim for universal usability, we improve the quality of life for more people more of the time. On the web, we can work toward universal usability by adopting a universal design approach to usability.

Web Style Guide, 3rd edition Basic Design Principles for ...

So far, I am pleased with the third edition of the Web Style Guide by Patrick J. Lynch and Sarah Horton. It is well organized and written in such a way that both the novice and the expert website designer can read it and gain helpful information. The language level is not too "techie" for the novice and is not condescending for the expert.
